SHERMAN DIVISION

In Re: Rare Breed Triggers Patent Litigation	**4:26-md-03176-ALM** **MDL 3176**
ABC IP, LLC, and RARE BREED TRIGGERS, INC., Plaintiffs. v.- MARS TRIGGER LLC and PETER BRENNEN, Defendants.	Civil Action No. 2:26-cv-00030-ALM

PLAINTIFFS' NOTICE TO WITHDRAW, WITHOUT PREJUDICE, THEIR CONSOLIDATED MOTION FOR PRELIMINARY INJUNCTION AS TO MARS TRIGGER LLC AND PETER BRENNEN

Plaintiffs ABC IP, LLC and Rare Breed Triggers, Inc. ("Plaintiffs") respectfully withdraw, without prejudice, their Consolidated Motion for Preliminary Injunction (No. 4:26-md-03176-ALM, Dkt. 7) as to MaRs Trigger LLC and Peter Brennen (collectively, the "MaRs Defendants").

The MaRs Defendants have represented by sworn declaration that they have stopped selling the accused Super Safety products—including individual components and the MP5 platform that incorporates them—through its website and all other channels, and has removed those products from its website. Dkt. 55, Brennen Decl. ¶¶ 5–7, 9. MaRs has further represented that it does not sell, and does not intend to sell, the ARC-Fire or Atrius Selector. *Id.* ¶ 11. MaRs has represented that it will refrain from selling the accused products during the pendency of this litigation unless the asserted patents are held not infringed, invalid, or unenforceable, or the products become available from a source authorized by Plaintiffs. *Id.* ¶ 10.

This withdrawal is without prejudice. Plaintiffs expressly reserve all rights to seek preliminary or other injunctive relief against the MaRs Defendants should circumstances change, including any resumed, renewed, or additional purchase, sale, offer for sale, or distribution of the accused products.

This withdrawal is limited to the MaRs Defendants only. Plaintiffs' Consolidated Motion for Preliminary Injunction remains pending as to all other Defendants.

DATED: July 24, 2026

Respectfully submitted,

/s/ Matthew A. Colvin
